

EXPERIENCE THE SMILE VILLAGE CARE PLAN

At Smile Village Dental, we have two primary passions. One for dentistry and one for personalized, accessible care for everyone. We are proud to offer our in-house care plan. The purpose of Smile Village Care Plan is to provide quality care, free from the constraints of financial concerns, or impersonal insurance plans.

We are committed to providing high-quality dentistry and supporting your goals to improve and maintain optimal oral health. Many living with limited dental insurance benefits or without a dental care plan find it challenging to obtain essential dental treatment. Your oral health shouldn't be a financial decision; it should be a decision based on your health. Our Smile Village Care Plan aims to remove the barriers preventing you from receiving necessary care.

OUR CARE PLAN

Smile Village Care Plan will allow you to opt-in to exceptional dental care without the need for traditional dental insurance.

Take control of your oral health and cut the restraints of traditional dental insurance, call today to learn more. Just like oral health, each patient's needs are different. If Smile Village Care Plan isn't right for you, ask our team about other financing options.
